

# a chance to show off

The Troop spent an evening at the Jackson Elementary Open House in May to show off their skills and talk with fifth and sixth grade boys about the Scouting program. Life Scout Randy and Star Scout Caleb set up a typical camp site that included a camp stove, tent and backpack. They also handed out a tasty example of a trail snack. Scoutmaster Patrick also provided a slideshow of outings and events the Troop has participated in. Proudly flying the American, California and Troop flags, the Boys represented Scouting and Troop 78 very well!
